

I am a member of the (4H Club/FFA Chapter /Youth Group). During this year's Fair, a Class titled: Market Animals will register 250 plus animals, of which the top animals will be sold the Saturday evening of the Polk County Fair. That gives all qualified 'Market Animal' exhibitors the exciting opportunity to sell their animal to local buyers.

As part of the learning experience of raising animals or any farm product, "marketing" is vital to the success of our operations. My visit is just one part of "marketing" that we are doing as part of the Quality Meat Program in Polk County. The Quality Meat auction in Polk County has become a celebrated sale. My visit today is to invite you or your company to attend the auction and consider supporting the Polk County Quality Meats Sale. Of course, this invite should not be considered a commitment to purchase any animal at the auction, but only an invite to attend the auction.
