Pollinator Garden Program: School Programs

Our goal is to get EVERY school to plant a 10' x 10' garden plot designed just for pollinators, including monarch butterflies and bees. There are about 35 milkweed seeds per packet. Just chose a sunny area at the school or on the playground to do the planting. So we encourage every teacher to <https://www.saveourmonarchs.org/free-seeds-for-schools.html> or send your FREE seed request to:

Pollinator Garden Program
Save Our Monarchs Foundation
PO Box 390135
Minneapolis, MN 55439

NOTE: There is a \$1 charge for shipping & handling for **online orders**. **LIMIT ONE POUCH PER ORDER.**

Our goal is to reach over 20,000 Pollinator Gardens in 2021. This is a great hands-on experience for the students to follow the development of the garden and observe the daily growth of the Monarchs.

You can find all this great information at www.saveourmonarchs.org This would be a great opportunity for 4H youth to become involved in some environmental studies, community beautification, pollinator support, etc.

LOOKING FOR SOMETHING FUN TO DO TO GET OUTSIDE AND MAYBE EARN A PATCH?

Polk County Shooting Sports is teaming up with Wisconsin DNR to provide a fun way to learn about and explore the Outdoors and learn about Nature.

- You DO NOT need to be signed up in Shooting sports to participate. Just download the booklet or ask that one be printed for you and do the activities! This is a great way to do nature activities, scavenger hunt, games, hikes and crafts to help you explore Wisconsin's outdoors
- There are three age levels in the Wisconsin Explorer program (3-5 years, 6-8 years and 9 years and up). Three themes help kids explore different parts of the great outdoors. With nine booklets, a three-year-old can begin the program this year and participate until age eleven without repeating a booklet.
- The program is designed to be completed by an individual youth with an adult to help, if you want to earn a patch from the DNR. Groups can do the activities together but cannot earn patches this way.
- Older youth who want to work with younger youth or siblings & teach the activities, could do this in a Leadership role. It is suggested the groups be no larger than 5.
- During Covid-19, the DNR contact person is working from home. To avoid multiple calls and out of courtesy to the program director, please text (preferred), call 715-541-4242 or email: Stacey.Lutsey@gmail.com if you have any questions. Questions will then be addressed, and your calls returned. We also have a copy of the patches if you want to see them.

Booklets can be found at: Wisconsin Explorer Program and choose the tab that lists the program for the age levels of (3-5 years, 6-8 years and 9 years and up.)

4-H ONLINE IS OPEN FOR ENROLLMENT. PLEASE ENROLL NOW! New email and mailing lists will be used soon and if you are not enrolled, you will not get the newsletter or the weekly email blast. A huge thanks to those who have already re-enrolled in 4-H for the upcoming year. Projects can be added or deleted until April 15th.

Club Leaders please reach out to last year's members and encourage families to re-enroll. We know that 2020 was a difficult year, but we have learned much and have every confidence that you can have a great 4-H experience in 2021. Please reach out to new families and encourage them to enroll.

If your club needs a program for a Virtual meeting, please contact Chuck or Eileen. We can help brainstorm ideas, suggest topic speakers, or facilitate a program for your club. If you would like to observe a virtual (Zoom) meeting from another club, please contact Chuck or Eileen and we will help you arrange that.

ZOOM 4-H ACCOUNTS AVAILABLE FOR YOUR CLUB MEETINGS OR PROJECT OFFERINGS!! The Polk County 4-H Leaders Federation has purchased three Pro-Zoom Accounts for Polk County 4-H use. These accounts can be used for Club virtual meetings, county-wide project meetings, or county committee meetings. To access one of these accounts, please contact Matt Babcock, 4-H Leaders Federation Treasurer at babber85@gmail.com or Chuck Prissel at charles.prissel@wisc.edu

PROJECT LEADERS WANTED TO TEACH AND SHARE KNOWLEDGE ON COUNTYWIDE ZOOMS!! Would you like to help youth learn a skill or enhance their project knowledge during this virtual time? Many youth are seeking your expertise and knowledge and now is perfect time to help them gain skills and abilities. There are county-wide zoom accounts to help you achieve this outreach. Please reach out to Chuck and Eileen for assistance with promotion and scheduling.

In the column on the left side of the screen, click on "Projects". There is now an "Edit" button on the projects page. Clicking on Edit will open a window similar to the add projects screen which was completed during enrollment. Be sure to ADD and Save changes.

As updates are made to the new 4honline for access for families and club leaders we will continue to share when available.

COMPETITIVE EDGE SCHOLARSHIP APPLICATION:

This Scholarship Program offers 2-\$1,000 and 2-\$500 scholarships to incoming students at the University of Wisconsin-Madison. Finalists for the scholarships can interview virtually on Saturday, April 17, 2021. The scholarship program offers a one-day program that gathers resources from across campus by current students specifically for incoming students.

The application can be filled out online at www.wisconsinagr.com/competitive-edge. Questions can be directed to Nathan at npdaniels2@wisc.edu or 608-393-7677.

INVITING ALL ADULTS OR YOUTH LEADERS INTERESTED IN HELPING TO IMPROVE AND EXPAND THE SHOOTING SPORTS PROGRAM. As you may know there have been limited classes provided to enhance the program & involvement in the Shooting Sports project. There are also only a few adult leaders. In order to keep the project going, more assistance is needed. Changes we would like to see added are actual classes held to expand the program and to explore more of the Natural Resources area. Anyone interested or has ideas on how to improve this project, please contact Chad or Stacey Lutsey or UW – Extension office.

THE POLK COUNTY FAIR BOARD WOULD LIKE TO INVITE YOU BACK TO THE FAIR!

We are proud to announce the return of the Polk County Fair in 2021 to the Fair Park in St. Croix Falls. While the decision to cancel the fair last year was difficult, the decision to move forward with the fair this year has been equally challenging. There will be, undoubtedly, many obstacles to overcome, and some things may not look or feel like they have in the past, but, we are committed to keeping our attendees as safe and healthy as we can. We will be working with partners at the National, State, and Local, levels to ensure that we are incorporating as many Best Practices as possible. We are

also just as committed to ensuring that everyone who attends our fair has a good time! In fact, our mascot this year Gertrude the GOAT, promises that you will have the **Greatest Of All Time...** (and everyone knows that goats don't lie...)

Not all of the details have been worked out yet, so continue to check back in with our website, www.polkcountyfair.com. As we finalize plans, we will update the website as soon as we can so that you can continue to make plans as well. You may want to check our Facebook page as well.

We hope that you will plan to join us at the Fair July 29th through August 1st 2021. We also ask for your patience and understanding as we navigate the way forward. We hope that we can continue to count on your support just as we have for the last 130 years. We look forward to seeing you there!

~Polk County Fair Society along with the Polk County Fair Board

That's Not What I Meant

Good morning!

What's on your mind today?

You are typing...

Hey, I've been meaning to talk to you about something!

This six-week course on Tuesdays, starting April 20th through May 23rd will be covering self-awareness, non-verbal language and tone, intergenerational communication, how to hold onto your truth, listening, all the good stuff in a wonderfully safe place.

UW-MADISON EXTENSION
LA CROSSE COUNTY

Come learn from Emily and Megan how to have hard conversations. Everyone gets nervous sometimes, leaving a conversation wishing we would have said or done things differently. Let's learn more about ourselves and boost our emotional intelligence so we feel more confident in our abilities. This is geared to youth in grades 6-9, but anyone older can join. In fact, we'll have some opportunities for youth to invite their loved ones, too.

We will explore our self-awareness, body and nonverbal language, reflection and listening (to ourselves and others), mental health, and intergenerational communication in a REALLY informal and safe environment.

Emily Crook, La Crosse County Youth Educator, has a background in youth development and listening. She knows how to keep it real and celebrate our inner beauty.

Megan Suehring, Shawano County Youth Educator, has a background in youth development too and youth mental health. She knows how to be positive and embrace the chaos.

Join us Tuesdays, April 20 – May 25 from 8:00 -9:00 pm for a chat that will raise your points in emotional intelligence. Register now through 4HOnline!
