Committee chairs are elected in November. Please contact current leadership. Cards must be signed either by a Quality Meats committee member or an FFA advisor. If no such person is at the event you attended, please present a program or educational materials from the event to a committee member or FFA advisor to have them sign-off. Please have the person in charge of the event sign the document you present.

I understand that I need to complete one (1) educational meeting/experiences and YQCA certification for the current project year in order to sell my project animal at the Polk County Fair Livestock Sale.
