FEBRUARY, 2026

## 2026 CLOVER COLLEGE!

**SATURDAY, FEBRUARY 28**  
**ST. CROIX FALLS HIGH SCHOOL**

This exciting day is for youth in grades K-5, featuring workshops on various 4-H projects. Children will complete projects to showcase at the fair, engaging in activities like model rockets and cake decorating. Friendly instructors will ensure a fun and educational experience in a supportive environment. Don't miss this opportunity for your child to explore and grow!

*Registration is located in the back of the newsletter*

### POLK COUNTY LEADERS FEDERATION MEETING

The Polk County 4-H Leaders Federation Board oversees the 4-H Program, making key decisions about financial resource allocation and educational direction. Each club can send one adult and one youth representative, ensuring youth have an equal voice. The board meets six times a year.

**MARCH 23, 7:00PM**

**POLK COUNTY GOV, CENTER**

### Want your club to shine in the next Newsletter?

It's a piece of cake! Just whip up a fun little article about your club's latest shindig and don't forget to snap a pic with all the fabulous members in it!

**Share your club's community contributions by emailing Kerry at [kerry.hill2@wisc.edu](mailto:kerry.hill2@wisc.edu)!**

### Need a Paper Copy of the Newsletter?

If you would like to receive a paper copy of the newsletter, please reach out to Kerry, [kerry.hill2@wisc.edu](mailto:kerry.hill2@wisc.edu), with your name and address you would like the newsletter sent

## **FEBRUARY**

04: Winter Academy: Creative Communication with Lego Serious Play, 6pm-7:30pm via zoom  
05: Robotics EV3 Session, 6:30-8pm, First Presbyterian Church of SCF

## Meet Our New AmeriCorps Member!

Hello Polk County! My name is Claire Anderson, and I am working with Polk County 4-H as an AmeriCorps Member. My background in 4-H is lifelong as I was a 4-H member in the Pierce County program from age 5 to 19. There, I participated in the dairy project, dairy judging, foods and clothing revue, swine project, creative writing project, and many more. I am a recent graduate of the University of Wisconsin-Eau Claire and am excited to return to 4-H in a professional capacity, serving as a leader and role model for current members. I am excited to start meeting people in the Polk County 4-H community and to begin planning events to get the 4-H message to even more people.

## ROBOTICS WORKSHOPS

Registration is open for the 2026 4-H Robotics Project Workshops for youth aged 9 to 19 interested in robotics. Participants will work with Sphero Ball programming, and EV3 robot construction and programming, preparing for the Pre-Fair Run Off.

**All workshops, along with the Pre-Fair Run Off, will take place at the First Presbyterian Church of SCF, located at 719 Nevada St., St Croix Falls**

### EV3 Sessions:

- Thursday, February 5th, 6:30-8PM
- Thursday, February 26th, 6:30-8PM
- Thursday, March 26th, 6:30-8PM
- Thursday, April 16th, 6:30-8PM

### Sphero & EV3 Sessions:

- Thursday, April 30th, 6:30-8PM
- Saturday, May 9th, 1PM-3PM
- Saturday, June 20th, 1PM-3PM
- Saturday, June 27th, 1PM-3PM

**Please note: Our Pre-Fair Run Off is tentatively set for Saturday, July 11th, 12:30 - 5:00 PM or until completed.**

**All workshops will take place at the First Presbyterian Church of SCF, located at 719 Nevada St., St Croix Falls**

Needle Felting: 2 Sessions (possibly a 3rd session) Tuesdays, February 10th and 24th, 6-7:30PM. Cost \$10. Please register participating youth Name, Age, Parent's Name, and Contact info. By January 30th for both sessions.

Basic Embroidery: 2 Sessions. Learn & make 3 stitches and a design using those 3 stitches: Tuesday, March 24th and April 7th, 6-7:30PM. Cost \$3. Please register participating youth Name, Age, Parent's Name, and Contact info. by March 12th for both sessions.

Sewing (Basics plus) Make a Tie Apron: 3 Sessions. Tuesdays, April 21st, April 28th, May 5th, 6-7:30PM. Cost \$8. Please register participating youth Name, Age, Parent's Name, and Contact info. by April 9th for all 3 sessions.

**Please send all registrations and questions to Shirley at [smillerfrey@gmail.com](mailto:smillerfrey@gmail.com)**

## VOLUNTEERS NEEDED FOR CLOVERBUD DAY CAMPS!

Do you enjoy working with young children and want to make a difference in just a few hours? We're looking for adult volunteers to help with easy activities and crafts at our Cloverbud Day Camps!

- Camps run Saturdays from 9 AM to 1 PM
- All activities are simple— we'll provide step-by-step instructions
- No experience needed — just bring your enthusiasm and a smile!

**Interested in volunteering at future Cloverbud Day Camps? Please email Kerry Hill, [kerry.hill2@wisc.edu](mailto:kerry.hill2@wisc.edu), for more information and upcoming day camp dates!**

# CLOVER COLLEGE VOLUNTEERS NEEDED!

We are excited to announce that Clover College is coming back to St. Croix Falls High School on Saturday, February 28th! This event is a day filled with hands-on workshops and learning experiences for youth and we need your help to make it a success!

## Volunteer Opportunities:

We are looking for enthusiastic individuals to fill these important roles:

- **Classroom Assistance:** Support instructors during sessions and help youth engage in activities
- **Hallway Assistance:** Guide youth to their designated classrooms and keep things running smoothly
- **Youth Partners:** You will be partnered with a specific youth that may need accommodations to participate and help them have a positive experience.

## Ready to Volunteer?

Sign up today at, <https://go.wisc.edu/jv8ytw>, or contact us for more information: [Lindsay.spindler@wisc.edu](mailto:Lindsay.spindler@wisc.edu)

## ARE YOU READY TO INSPIRE THE NEXT GENERATION?

Join us as an Adult Advisor or Young Adult Leader at Summer Academy! Help youth grow, learn, and lead—all while having fun. Apply today!

## WHO DO WE NEED?

**Adult Advisors:** Provide mentorship, supervision, and logistical support.

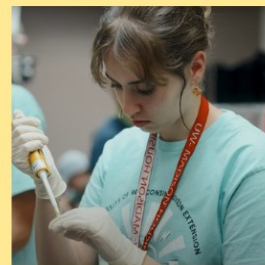

**Young Adult Leaders:** Serve as role models, lead activities, and support youth engagement.

## WHY VOLUNTEER?

- Make a lasting impact on youth.
- Build leadership and mentoring skills.
- Be part of a fun, educational summer experience.

## WHAT'S INVOLVED?

- June 14-18, 2026 at the beautiful University of Wisconsin-Madison campus
- Training provided, both virtual and in person to help you prepare
- Lodging, meals, and transportation covered

## APPLICATION PROCESS

Online form - for all statewide educational experiences

Deadline: February 28, 2026 (for Summer Academy specific applicants)

**Please Email  
Lindsay,  
[lindsay.spindler@wisc.edu](mailto:lindsay.spindler@wisc.edu), for any  
questions**

# DAIRY QUIZ BOWL

The contest will be held on February 7th at UW Green Bay in the STEM Innovation Building, 2019 Technology Way, Green Bay

The Dairy Bowl is a quiz competition focused on dairy topics, encouraging 4-H members to deepen their knowledge of dairy animals and related subjects.

It offers an educational program for all dairy project members, including those without a dairy animal.

Participants develop alertness, self-confidence, teamwork skills, and mastery of dairy science.

In addition to these two educational events exhibitors must also have Youth Quality Care of Animals (YQCA) certification to participate in the Polk County Quality Meats program.

# CLUB NEWS

## Pleasant LAKE

The Pleasant Lake 4-H Club enjoyed a month filled with fun and engaging activities throughout January!

### **Winter Fun Day at Oak Forest**

Members embraced the chilly weather during our winter fun day at Oak Forest!

They donned cross-country skis, enjoyed sledding, engaged in board games and card games, pieced together puzzles, and faced off in ping pong, air hockey, and pool.

Additionally, we held a brief photography workshop, equipping members with cameras to learn the art of capturing stunning photos!

### **Cooking with Club Members**

During our cooking meeting, members prepared a delightful meatloaf dinner for their friends and family.

The meal featured homemade meatloaf, creamy mashed potatoes, fresh green beans, and chocolate pudding for dessert.

Members also learned how to properly set a table and practiced some table etiquette.

### **LEGO Day**

The Pleasant Lake 4-H Club gathered for a delightful session of LEGO fun! Children had the opportunity to bond while unleashing their creativity.

# KNOTTY PINE

Knotty Pine 4-H visited the Rose Lee WPA today to clean out our Wood Duck houses and replace them with fresh wood shavings.

This activity is crucial for maintaining a healthy environment for the ducks, and the team approached it with great care and attention.

As part of our efforts, we examined each house for eggshells to report our findings to the U.S. Fish & Wildlife. This helps monitor and protect our local wildlife populations.

Thank you Knotty Pine for your efforts!

## *Folly* MILLTOWN

In January, our officers (shown in the photos below) conducted their meeting featuring an exciting new annual educational activity.

During this event, youth shared about projects they are passionate about and take pride in. Other members had the chance to ask questions and connect with adults and kids who can help them in getting started if they are interested.

Our officers have excelled this year in running meetings and warmly welcoming new families.

A heartfelt thank you to Haze, Charlie, Aidan, Merritt, Ashton, and Alec for providing valuable information about available opportunities!

# BEYOND THE CLOVER: ADVENTURES IN 4-H

## MY EXPERIENCE AT THE UW-RIVER FALLS 4-H HORSE CONFERENCE

JESSICA CARLSON, PLEASANT LAKE

### My Experience Attending the UW-River Falls 4-H Horse Conference

Hello everyone! My name is Jessica Carlson. I'm from Osceola, Wisconsin, and I'm a proud member of the Pleasant Lake 4-H Club here in Polk County. Recently, I had the opportunity to attend a statewide 4-H horse conference at UW-River Falls—a day designed to help youth deepen their understanding of the horse world while connecting with others who share the same passion. I went into the experience hoping to learn a few new things and I left feeling inspired. I also had the opportunity to meet new people from all over the state who I know will be lifelong friends.

The conference also opened my eyes to some of the challenges that exist within the horse community. We had meaningful conversations about the pressures young people face in competitive environments, including issues such as negative talk among participants, trainers pressuring kids to cut corners, and other situations that can take the fun out of learning. These discussions helped me better understand how important good sportsmanship and strong ethics are, not only at the county fair, but in everyday life. Our breakout sessions gave us real strategies for handling unfair situations, supporting one another, and becoming positive leaders in our clubs and counties.

The conference was an amazing experience. My father and I attended together, as the only two participants from Polk County, and it was incredibly worthwhile. I encourage more people to attend events like this, even if it's not your main animal species. I learned many new things about horses that I didn't know before.

### I ATTENDED SEVERAL BREAKOUT SESSIONS, INCLUDING:

**Medical Wrapping:** A veterinary student taught us how to safely and correctly wrap a horse's legs.

**Farm Tours:** We toured the UW-River Falls farm and learned about its operations.

**Horse Judging:** We discussed the positives and negatives of breeding, judged five horses ourselves, and compared results.

**Trivia:** A fun Kahoot game covering many horse-related facts.

**Talking with the Judge:** We learned what judges like and dislike when horses are being prepared.

**Draft Horses:** We learned about draft breeds and the different ways to keep them neat and braided for shows.

There were also other breakout sessions I was unable to attend due to time constraints. Overall, this event was incredibly fun and educational, and I would encourage other 4-H members to look into opportunities like this in the future.

## Clover College

Saturday, February 28, 2026, 9:00AM - 2:30PM

## **Clover College: Session Descriptions**

**Saturday, February 28, 2026 9:00 AM - 2:30 PM**

### **Build a Model Rocket (55 minutes)**

**Matthew Logering**

Discover the excitement of model rocketry! How are they designed, what makes them soar, and the science behind each launch. Youth will explore the basics of rocket flight, hands-on building skills, and create their own model rocket to take home. *Grades 1-5 Class Limit: 12*

### **Reaching for Rabbit Time (55 minutes)**

**Valerie and Elsjia Meijer**

Learn about Rabbit and guinea pig breeds and activities you can do with your pet in 4-H. Meet some different Rabbit and guinea pig breeds and learn showmanship, Agility and other showing information and activities. *Grades K-5 Class Limit: 10*

### **Horsing Around (55 minutes)**

**Cassie Rose**

Discover the exciting world of horses through hands-on, horse-themed activities! Put on your cowboy hat and boots, and get ready for a fun, interactive session where youth can explore and learn more about the 4-H Horse Project. This engaging experience is perfect for young participants interested in horses and eager to deepen their knowledge. *Grades K-5 Class Limit: 12*

### **Growing with 4-H: Learn About Plant Life Cycles (55 minutes)**

**Annette Schladweiler**

Participants will be able to plant their own spider plant, and take home "planted" (in a bag) flowers. Both projects would be able to be used as a fair entry! *Grades K-5 Class Limit: 15*

### **Goat Milk Soap Making (55 minutes)**

**Sarah & Natalie Chartrand**

We will make 1 bar of goat milk soap embellished with flowers and scent of your choosing. *Grades K-5 Class Limit: 8*

### **Introduction to Wooden Model Building (55 minutes)**

**James Bartlett**

In this workshop, you'll be introduced to wood model building kits. Workshop members will have a choice between a few different balsa wood model kits, which are all snap and insert (no glue or nailing used). Participants will learn how to read the directions, sort wooden sheets, remove the parts, and assemble it. Participants will walk away with a small model they can submit at the fair, if they choose! *Grades K-5 Class Limit: 10*

### **Cookie and Mini Cake Decorating (55 minutes)**

**Sarah & Trish Carlson**

Youth will see and learn decorating skills by piping lines and other shapes. Then, decorating some cookies to show off their new skills! *Grades K-5 Class Limit: 12*

### **Wild About Nature (55 minutes)**

**Chad & Stacey Lutsey**

Please join us for an interactive workshop where you will learn about the natural world around you. Please bring a light colored, plain T-shirt for decorating. Dish towels may also be available. *Grades K-5 Class Limit: 10*

### **Etched Easter Eggs (1 hour and 55 minutes)**

**Megan Jansa and Lynnae Nehring**

Create a beautiful and unique etched Easter egg. In this workshop students will use a kitska (wax pen) to apply a melted wax design on a chicken egg. Parts of the shell will be removed by an acid, while the wax seals in the design. When the wax is removed, the design will be revealed! Students will need to follow directions carefully when working with an open flame and a mild acid. *Grades K-5 Class Limit: 12*

### **Becoming a Scientist (1 hour and 55 minutes)**

**Heather Vierling**

Youth will have an opportunity to discover and explore science in a fun and magical way. They will participate in a variety of experiments while using their skills and knowledge to hypothesize, experiment and draw conclusions. *Grades 3-5 Class limit: 12*

### **Glass Etching (55 minutes)**

**Jeanne Alling**

Youth will be able to choose from several designs that they will be able to put onto a glass mug. The chemical etching is applied and washed off by the presenter. Etched design is permanent on the glass. *Grades K-5 Class Limit: 15*

### **Jewelry Making (55 minutes)**

**Cami and Ella Curtis**

This introduction to jewelry making will provide participants with different opportunities to make jewelry using different techniques and materials. *Grades K-5 Class Limit: 10*

### **Beads, Beads, and More Beads (55 minutes)**

**Jennie Bazille**

Come explore making keychain and more using a variety of different types of beads. *Grades K-5 Class Limit: 15*

### **Build an Electric Car (1 hour and 55 minutes)**

**Tyler Bohan**

Youth will design an electrical circuit to build a battery powered car. *Grades K-5 Class Limit: 12*

### **Scrapbooking (55 minutes)**

**Carole Schurtz**

Bring 4-6 of your favorite 4-H photos (4 x 6) and we will show you how fun it can be to scrapbook them for your record book or just for fun. *Grades K-5 Class limit: 12*

### **Gumball Machine Making (55 minutes)**

**Carole Schurtz**

Get ready to have some fun and create your own gumball machine to take home. *Grades K-5 Class limit: 10*

### **Feathered Friends: All About Chickens (55 minutes)**

**Sage Schladweiler**

Learn all about chickens, their life cycle and how they develop inside the egg. Make a "bird seed" snack and leave with a fun poster that you can exhibit at the fair! *Grades K-5 Class Limit: 10*

### **Sewing - Pillow (55 minutes)**

**Jessica Robinson**

A simple sewing project where youth will make a pillow from old button down shirts. *Grades K-5 Class Limit: 9*

### **Succulent Garden (55 minutes)**

**Elizabeth Hesselink**

Youth will plant succulents into various containers to create a one-of-a-kind creation. *Grades K-5 Class Limit: 15*

### **Hoppen Fun: All About Rabbits (55 minutes)**

**Kendra Schladweiler**

Learn about the 4-H rabbit project, and make a bunny painting that can be exhibited at the fair. *Grades K - 5 Class Limit: 10*

### **Cat Care & Treats (55 minutes)**

**Molly Ziegler & Allison Rhine**

Learn more about caring for your friendly feline. We will also be making a treat and toy for your cat. *Grades K-5 Class Limit: 10*

### **Talk 'n Dogs (55 minutes)**

**Deb Beyer, Jean Gustafson, Greta Gustafson w/Bert the Show Dog**

In this class, we will learn about dog breeds and their intended jobs. How dogs "talk" to us and how we should and should not talk to them. We will practice some dog obedience training exercises with pretend dogs. You will also meet a real, live 4-H show dog. *Grades K-5 Class Limit: 15*

### **Felted Cookies (1 hour and 55 minutes)**

**Suzanne Imhoff**

Learn how to turn wool into a felted cookie! Participants will use needle felting techniques inside cookie cutters to create a refrigerator magnet, coaster or ornament. *Grades K-5 Class Limit: 20*

### **Springtime in the Woods (55 minutes)**

**Michael Lindley**

Hands on talk about getting outside in the spring and appreciating activities in our woods. *Grades K-5 Class Limit: 40*

# 2026 Wisconsin 4-H Scholarships

## Application Process

Wisconsin 4-H will award more than \$20,000 in scholarships from established donor funds to outstanding Wisconsin 4-H members and alumni pursuing higher education this year. Wisconsin 4-H Scholarships are awarded to students based on demonstrated personal growth through 4-H, development and leadership in 4-H, academic performance, and future educational goals.

## Timeline

- Applications Open January 1st
- Must be received NO LATER THAN 11:59pm on MARCH 1
- Award notifications will be announced by mid-May

## Scholarship Eligibility

To be eligible for any Wisconsin 4-H Scholarship, students must have been a Wisconsin 4-H member for at least three years, have a grade point average of at least 2.5 on a 4.0 scale, and be enrolled or planning to enroll at a university, college, or technical school during the following academic school year. Previous scholarship winners are not eligible to receive a second Wisconsin 4-H Scholarship.

## Application Instructions

Applicants will submit an online application form and upload a cover letter and résumé as a combined PDF and select all scholarship opportunities that they qualify for. The documents will provide 4-H youth a chance to share their 4-H achievements and future plans.

## Available Scholarships

- Betty Krueger Memorial 4-H Scholarship
- Elizabeth Salter-Eby 4-H Scholarship
- Francis A. and Phyllis S. Conrad 4-H Scholarship
- Culver's 4-H Scholarship
- Gwen Wilson Memorial Scholarship
- Oscar G. and Mary M. Woelfel 4-H Scholarship
- T.L. Bewick Scholarship

## YQCA 2026 Scholarship Program

### Eligibility

To be considered for this scholarship, applicants must be in the age range of a high school senior to 21 years of age. Applicants must have experience with an animal project in one of the species covered by YQCA (beef cattle, dairy cattle, swine, sheep, goats, poultry, or rabbits). All applicants must show a commitment to pursuing a career path in agriculture, livestock, or food systems. Applicants must meet one of the following education and career pathway requirements:

- High School Seniors: High school seniors may apply if they have been accepted into an accredited college, university, or certification program in an agriculture-related field.
- High School Graduates: High school graduates must be currently enrolled in one of the following:
  - A 2- to 4-year college or university agriculture program
  - An agriculture-related certification program

Proof of enrollment is required before scholarship funds are released to the institution.

## **Wisconsin Rural Opportunities Foundation Scholarship**

The Wisconsin Rural Opportunities Foundation, Inc. is pleased to announce the WROF Premier Scholarship. This is an award of up to \$10,000 to be presented to a senior in a Wisconsin high school – public or private - who has been living in rural Wisconsin for at least two years. “Rural” is defined as traditional rural areas and rural towns of 25,000 population or less. The award will support tuition only, up to \$2,500/semester, for any post high school educational experience in Wisconsin and will continue as long as a 2.5 GPA is maintained.

The recipient will be selected by an ad-hoc committee of the WROF, Inc. Upon selection, the recipient’s high school will be eligible to apply for a \$5,000 grant to be applied to a STEM or agricultural project benefitting all students in the high school.

## **AgSource Scholarship**

The AgSource DHIA Foundation is offering scholarships for students who are either enrolled in or planning to pursue post-secondary education. Each scholarship recipient will receive a designated amount in financial support. To be eligible, applicants must have a family that resides in Polk or Burnett Counties or must be a current or former member of the Polk-Burnett DHI AgSource.

Preference may be granted to students majoring in agriculture-related fields and those from farming families. Scholarship funds will be disbursed only after the student has successfully completed one semester of post-high school education and has submitted a transcript indicating this completion. Applicants may either be entering or currently enrolled in post-secondary education programs.

**Applications must be turned into the Extension office by APRIL 4th**
