

Attach this form to member's Youth Leadership record. Do not submit member's record book. Deadline Date - First Tuesday in September

Youth Leadership Award Nomination Form

Members can be nominated to receive leadership awards in projects or club activities in which they have provided leadership during the past year.

Leadership is defined as teaching and helping other members to learn, make or do things in their projects. Leadership in activities is defined as assuming major roles in planning, conducting, and evaluating a club activity. Teaching others would be a leadership role in some activities.

A member does not have to be enrolled in a youth leadership project unit to be eligible for nomination.
